

Flemingdon Park – Notice of Project

A project to refresh the Flemingdon Park Library is underway!

This interior renovation includes minor demolition and upgrades to specific areas on the ground and second floors of the Toronto Public Library's Flemingdon Park branch, located at 29 St. Dennis Drive, inside the Dennis R. Timbrell Resource Centre. The project is funded through a combination of donation and capital projects funds.

This project consists of the following priority upgrades:

- New Welcome Area and Service Desk
- Custom built pod for Newcomer Services
- Children's Area furniture
- Painting, flooring and some new furniture throughout
- Upgrades to layout of computer and laptop use areas
- Program Room and programming equipment & technology refresh

Timeline of key activities:

- September – December 2025: Architectural Design; Onboard General Contractor
- October 2025 (Date TBD): Community information meetings
- Late December 2025 / early January 2026: Branch closure
- January – May 2026: Construction period
- June 2026: Final installations and branch opening preparations
- July 2026: Target for branch re-opening
