Dear Resident,

City Planning have received an application for 1 Deauville Lane. Details may be reviewed on the City's application information centre: [Development Applications \(toronto.ca\)](https://developmentapplications.toronto.ca).

The proposal, which requires Zoning Bylaw Amendment, proposes three towers at 44, 47 and 49 storeys. 1,833 units and 356 parking spaces.

I believe it is important that residents have as much information as possible and more opportunity to comment before the City's community meeting. Therefore, I am personally facilitating this Open House **Wednesday, February 19, 2025**. In addition to myself, representatives from the applicant's team will be in attendance to present their concepts, hear your comments, concerns and answer your questions. Nothing has been approved!

City Planning will host an in-person community meeting. **Details will be shared when confirmed.** For more information, to confirm your attendance or sign up for my E-News, you may email my office at [Councillor\\_Burnside@toronto.ca](mailto:Councillor_Burnside@toronto.ca) or call at 416-397- 9256.

Sincerely,

Jon Burnside
